Message: Acknowledge the Sovereignty of God
Deuteronomy 4:39-40 (AM 5/11/08)

God is the sovereign creator and sustainer of all of life. He has authority over His creation. The first institution the Father created is the family. Whether we are a family of one or ten we provide a stage for each sphere of God's sovereignty to be acted out. Take a moment and evaluate your performance. *Take the rest of your life to demonstrate His sovereignty.*
