

Series: Back to the Future
Message: The Case for Creation
Text: Genesis 1 & 2 (AM 7-13-08)

Our future is indelibly linked to our past. Genesis, *the book of beginnings*, shapes our future. Most of the foundations of our faith have their moorings in this incredible book. Genesis covers millenniums of redemptive history from *Creation to the Flood and the Birth* of God's people. To discover the answers to the questions that plague man we must go *Back to the Future*.

C – God is Creator.

Creation exists by Him and for Him.

R – God is Relational.

Creations purpose is relational.

E – God is Eternal.

God created time so we might enjoy Him for an eternity.

A – God is Abba – Father.

We are His image bearers.
