

Sharing Life

And they continued steadfastly in the apostles' doctrine and fellowship, in the breaking of bread, and in prayers

Acts 2:42

No matter the terminology, Sunday School or Small Groups serves as one of the best avenues to make a great connection with the body of believers at Canaan. We attempt to offer a variety of options for the family to be involved with peers to build fellowship, but share life through Bible Study.

Reach – We believe everyone should have the opportunity to hear about the love of Jesus.

Teach – We do not believe anyone should be left behind about knowing about the love of Jesus. With passionate Class Shepherds, we attempt to study the Bible and make application of it to our lives.

Care – Building around small groups, we have found the benefit of uniting together to minister and care for one another. It is a proven fact those involved in a Small Group stay committed to being more like Christ in their daily walk with Christ.

Multiply - We are not building a kingdom for our self – it is for Lord. Therefore, valuing the purpose of small groups we will multiply our units to create additional opportunity to build bonds with those in a class.
